John O'Hara

3.12.1887 - 1974

John O'Hara was the son of Patrick O'Hara and Jane Wilson and was born in Carluke in 1887. Joining local club Law Volunteers, he was spotted by Edinburgh based Hibernian and signed for them in 1908 at the age of 21 years.

In that 1908/09 season Hibs took on Hearts in the cup after a home win over Motherwell secured two league points. The venue was Easter Road and the competition the East of Scotland Shield Final. **John O'Hara** scored twice for Hibs but George Sinclair repeated that feat for the visitors, setting up a replay for later in the season. The Spring of 1909 brought three games after which the season would be finished. Of the three, two were against Hearts with the first of those being the second replay of the East of Scotland Shield Final. Hearts had won the toss to decide the venue but their fans in the 5,000 crowd were disappointed when Hibs lifted the trophy thanks to a 1-0 win with the goal being scored by Willie Smith in the first half. The second meeting was in the semi final of the Rosebery Cup only this time the venue was Easter Road but the outcome was the same, a win for Hibernian. Burns had given the visitors the lead but **John O'Hara** equalised John Sharp struck the winner.

Earlier in 1909 Dundee Hibs (later Dundee United) had taken possession of the Tannadice ground in August 1909. The first game was played there was against Hibs and

"the first goal at Tannadice Park was scored in the opening match at the ground by John O'Hara of (Edinburgh) Hibernian; to mark the occasion he was presented with a bicycle (Dundee Hibernian's secretary and founding father Pat Reilly owned a cycle shop). The first goal by Dundee Hibs was scored in the same match by centre forward Jamie Docherty, who received a gold medal to commemorate it"

He was with Hibs for 4 seasons playing in the 1st Division of the Scottish League against the top clubs of the time, some who are still there today, as this league table shows

With one entry as follows

Sat, 4th December 1909 Aberdeen - Falkirk 0-1 Logan Celtic - Kilmarnock 2-1 Loney, Quinn / Howie Dundee - Clyde 1-1 McCann / Chalmers **Hibernian - Airdrie 3-0 Peggie 2, O'Hara** Morton - Rangers 1-4 Hamilton / Bennett 2, Ramage, McPherson Motherwell - Queen's Park 3-0 Murray 2, Robertson St Mirren - Port Glasgow Ath 4-1 Milne 3, Buchanan, R.Findlay

This would appear to be his only goal of the season so not quite a prolific scorer in 1909/10 but maybe more of a defender / midfield creative genius perhaps.

He moved to Peebles Rovers for season 1912/13. The following season found him in Wales with Pontypridd with whom he played one season before returning to Peebles Rovers. 1915/16 found him wearing the colours of Wishaw Thistle and our trail ends in 1916/17 when he turned out for Bathgate.

After a run by the Burithask forwards, which was nextly turned by Orig, O'Hars had a chause but alipped when about to drive. A few minutes later the home centre mored, but was giren offside-forcret was dropped with a severe kick on the tody, but after a rub up seemed athing the worse. A corner for the Athletic, followed by two corners in quick uccession for the Noresy all proved fruitless, Milligan sending the second behind the grad. The visitor's front rank again got away, and besting Dolds, had a drive for the home net, O'Hon, Daved, Millig forwing and Irvino, were wall turned by the opposing backs, who was varied with one or two runs to the home youtshed and ended without a count for either team. contested and ended without a count for either team. Boots received a visit early in the second helf, but her was in his mual form, and no mistake was made. The Rovers now actical down, and became decidedly aggressive. Black excelled himself and was cheered to the echo. From a smart run by Milligan the Rovers secured a corner, and Forrest had a good try of the kick. Milligan followed with a rapid hot, but Feely made a good seve. Irvise sud bodds had a speedy run up together, and bodds had a speedy run up together, and bodds had a speedy run up together, and bondhild run, collminating in a brillinat try, which was agoin well away, and the former had a good shot, which struck the poet.
