coffee had been mag for; that a e-y but when converbal dispolated he pleasant foreass in which all those present had been industrye; Mr. Morgan filled a bouspee of Jorgansdy, and attacking up he believed to exist between the two young people, and which he had every hope and intention should end in a shortings, by drish-ing their babilicalise in their "indich, the effect could not have been more electrical." Busic coloured up to the roots of her hade and gave utterance to a little hysterical sols. What she considered the exceeding bud tasts of the lawyer, accord the the considered the con-lating of the country of the country of the con-lating the country of lawyer, accord to the country of the lawyer, accord to the country of the country of the lawyer, accord to the country of the two of the country of the two of the country of the

For the first time in his life, Lawyer Mc
was nonplessed. Wylle know of your love
another woman? "he asked at last.
"She does," was the brief answer,
"And she does not wish to set you fire?"
Jack shook his head.
"I am hets, body and soul," he gass

FOOTBALL.

Frank are fing level – Bigger having the major sear-of the play.

The second half had a measurement opening ; not form the play of the play of the play of the play.

This searly reverse second to nettle bigger, and they redescovered to go at down to the sensitied camp, but a processor of the play of the play of the play of the gave, them, the right about, J. Park again fashessed on the ball, and made straight for good. His particle above was the contraction of the play of the play
