A RECORD OF THE DESCENDANTS OF EVAN LEWIS
(WALES TO AMERICA, 1682)

Ellis J. Lewis

Allen County Public Library
900 Webster Street
PO Box 2270
Fort Wayne, IN 46801-2270

A record of the descendants of Evan Lewis (Wales to America 1682) so far as the same can be obtained, and intended only for use while information is being gathered.

In this record the female lines have been preserved when ever possible, but in most of cases they have been lost.

In the arrangement an orderly system has been followed as closely as convenient, but is frequently departed from as a matter

of expediency, and reference to pages has been used instead of numbering and by following the references carefully little confusion will result from departure from the system.

This record represents five years of careful and patient work.

Great care has been taken to eliminate errors, but in the case of doubtful records, some have been retained rather than reject them, and the errors, if any, may appear later on.

Much information of a doubtful or in

complete character is reserved until such time as they may be carefully investigated. Incomplete records are readily detected by their appearance, and where they are complete they may be presumed to be correct.

These records are so arranged that they may be expanded at will without materially deviating from the system, and much may be added to numerous pages. At this date they extend to and include p. 73, and could probably be expanded for

20 years, but it is the intention to supersede it by a new edition within a few months.
